The Shire of Murray is located on the fringe of the Perth metropolitan area 86 kilometres south of Perth, on the Peel-Harvey Coastal Plain. It is situated within the Peel Region which includes the Shires of Jarrahdale Serpentine (Perth Metro Region), Boddington, Waroona and the City of Mandurah. The Shire of Murray is known as the "Centre of the Peel" region featuring the hills and tranquility of Dwellingup in the east, to high quality canal blocks in Yunderup. The town of Pinjarra, first established in 1834 is renowned for its significant heritage attractions such as Edenvale, Blythwood and the historic Pinjarra Court House.

Murray is very much a developing Shire, and is at an exciting stage of its growth and will become one of the fastest, if not the fastest growing local authorities in Australia by 2015, and will remain in that growth phase up until at least 2031. With this expected growth the Shire of Murray will meet its community's needs and expectations through the provision of more business centres and community facilities.

ELECTED MEMBERS

12 Councillors represent five wards encompassing the main towns of Pinjarra, South Yunderup, North Yunderup, Coolup, Dwellingup, Furnissdale, North Dandalup, and Ravenswood.

Council meetings are held on the last Thursday of each month, commencing at 9am. Committee meetings are held on the Tuesday and Thursday of the week prior to the Council meeting.
